

Crazy Story / Anecdote movie
shit: *Gangate... N+1; "for real? This
Fix This" script time*
Egyptians really did have This

shit down *Roll with it* OOV (Humans) *Go to plank
Do get
Experience*

The *SUB* each layer of

pyramids was a map of the
universe they wanted. The irregularities
of the rocks are the phone numbers to
where they went. ~~the~~ before materials
science so they only got one "shot".

less crazy, *(written)* language that advanced
that they wrote his Biography as
the pyramid, the service entrance is his
throat through their "plank"

*Did we get here
Pyramid on the
side.
it pissed off
the only way?
Gangate 2?
Scratchers hit.*

*Glass.
Be fixed?
Sunglasses?
Goggles?
were you
ear in
the sun?*

*Coming
On?
arguing?
On just
Glanced*

*Car Melter
5k
the pyramids
that do nothing!!
2 2 2k years...
I'd break it
too...*
