

People did live on pyramids
 after ~~Abandonment~~ ^{not doing?} Raze? ~~pyramids went~~ ^{"critical rapture"}
 Glass? ~~gone~~ ^{Printer} dried up?

no one knew how to
 fix it, ~~match~~ ^{Girl} Never was ~~proline~~.
 Just a "good enough pile of
 rocks to hold a platonic solid."

Staves are
 sacrifice to the
 gods "How it
 already happened"
 What did they "say"
 they did?
 Ase's "critical not doing"

 doing it
 might ~~probably~~ ^{most likely}
 Be on Cool.

Deposit sacrifice?
 Thing - don't waste it
 on floor?

is sustainable?
 violent explosion?
 only need so much water/energy.
 Just need
 to pick apart the instructions.
