

If Time is primary Component  
 of universe. put In Cube ~~for~~  
 ease of viewing. The ~~perimeter~~  
 Volume ~~surface~~  
 of the suspended  
 hyper ~~surface~~  
 Volume IS the  
 function of the contained  
 universe.

As The universe ages it expands  
 real numbers are used for points, ranges  
 areas, probabilities Between (0-1)

RZF become stepping stones to  
 prediction. each ~~output~~ <sup>member</sup> of the family  
 is an entire self contained ~~experience~~ <sup>universe</sup>. It  
 is expandable, extendable, we can predict certainty  
 using primes as guide for 'Objective' reality.
