

ARCS:

Diagnosed

- 20+ years

old Army
mentality
regards life
decisions and friends.
of Pain to Endure
Society Human

- Future completely

Shackle &

- HB (more Cosm)
Future - No resource - No value - just organization, but
Present - Fuckin Shift at code
Past - All code blew up, don't need "expertise".

- "Have "

to keep working

- "Have "

to keep Job

Abuse

- remains of

Said good bye to family while
parents utter disgust and

Amusement of

"Had it easier than

most "plan B" "non

- lied to me for

past 2 years regards school

- no friends

- Badly

Creating

100%
